

FREE TRAINING

Volunteer Now has received funding from Belfast City Council's Capacity Building Programme to support voluntary and community organisations and groups operating in the Belfast area. Training will be provided for Committees, and for those working with children/adults at risk. Details of upcoming courses are included below. There will be further courses scheduled throughout the year.

➤ Training for office bearers/committee members/trustees:

This session will develop the knowledge, skills and abilities of office bearers and trustee members, and help them to understand their roles and responsibilities as chair, secretary and treasurer. It will help them understand the importance of a clear decision-making process and succession planning, and the importance of working in partnership in order to build influence and ensure the voice of volunteers is heard.

14 June 2023, 10.00am-12.00pm
